

LEAN IN Malaysia

Hi There Lean In Community,

Happy Chinese New Year!

The new year marks a new beginning (again!) for all of us and we're extremely excited about what lies ahead for Lean In Malaysia (LIM).

The year started with a Bang with Lazada Malaysia entering into a partnership with Lean In Malaysia. The one-year agreement will see Lazada top management contributing as guest speakers in Lean In events, while we will be providing Lazada employees a series of workshops and Circle Dialogues. This collaboration marks another milestone for us, to have the support of one of the country's biggest brand to be on board this journey of women empowerment with us!

With March just round the corner, Lean In Malaysia will be having its first ever Open Day early March to further create awareness of Lean In and to recruit new talents into our amazing LIM family. Definitely looking forward to bringing in fresh new blood into our teams who are going to help bring LIM to achieve our future milestones to come!

While the Chinese New Year celebration is coming to an end, we would still like to wish our fellow Lean In members an amazing and prosperous year ahead, with the best of health, wealth, joy and happiness!

With Love,

Want to bring Lean In Malaysia to your organization?

Is this the year you drive progress and elevate your leadership development, diversity and inclusion and talent acquisition programs?

Learn how Lean In Malaysia can help make your organization a stronger, more equitable workplace.

Lean In Penang

The launch of the Lean In Penang Mentoring Programme 2.0 was a huge success. We were thrilled at your response to our 'shout-out' towards the end of last year to join the program.

Twenty-eight Mentors and Mentees were paired together and formally introduced to each other in the 'cool' location of the 2PM Lounge at G Kelawei Hotel on January 10th.

The venue was perfect for our 'Speed Networking' and any initial feelings of

nervousness quickly dissipated once everyone warmed-up and started talking.

Mentoring 2.0 is scheduled over a 4-month period and plans are set in motion to meet at regular intervals so Mentors and Mentees can 'check-in' with one another and share and learn from other's experiences.

Lean in Penang offers a wonderful caring, sharing environment for Women to share their skills, knowledge and experiences and grow and develop personally and professionally.

If you would like more information or would like to participate in Mentoring 3.0 please reach out to us at: <https://www.facebook.com/LeanInCirclePenang/>

To Kick-start the 2019 series of Educational Events for Lean In Penang our Topic "Define Your Direction" really 'hit the spot!'

On a bright sunny Penang Saturday morning, 19 Enthusiastic Men and Women rolled-up their sleeves prepared to map out their goals for their futures and learn the steps to take to put them into action!

Although the workshop focus was on goal setting, participants were excited to learn powerful "NLP" tools from Certified Trainer in Neuro-Linguistic Programming – Hayley James.

One of the most powerful NLP tools is connecting your mind and heart to for your dreams to become a reality. Applying the Law of Attraction and using a technique that works on your 'Timeline,' participants were able to begin the process of manifesting their goals into their future. This amazing process keeps your conscious mind busy, while your unconscious mind gets to say, "That's what I want", "That's what I'm going for". As Jim John famously said: "You want to set a goal that is big enough, that in the process of achieving it, you become someone worth becoming."

Interested in learning more about how NLP can help you in your Personal and Professional Life, contact Hayley +60 16524 1640 or visit:

International Women's Day is a worldwide event that brings together organisations, men, and women, to celebrate the accomplishments of women, and spur them on to greater heights. EcoWorld is no exception to this, as the EcoWorld Professional Women's Network has held the EcoWorld Women's Summit every year since 2016- an engagement initiative

to bring together top women leaders with diverse backgrounds and expertise to share insightful perspectives and inspire conversations that matter.

Last year, the theme of the Summit revolved around #RemovingBarriers and #ReshapingConversations, a move to empower women to climb higher and change the way we perceive women, both at home and at the workplace.

Our keynote speaker Tan Sri Dr. Rebecca Fatima Sta Maria (Director of Eco World International Berhad) led 2 riveting panel discussions with women leaders from different industries, Ms. Raja Teh Maimunah Binti Raja Abdul Azizi (CEO of AmInvestment Bank Berhad and MD of Wholesale Banking, Ambank Group), Ms. Chong Chye Neo (MD of IBM Malaysia), Dato' Anusha Santhirasthipam (Chairman of Yayasan Soroptimist Malaysia), Ms. Tricia Yeoh (COO of Institute for Democracy and Economic Affairs), Ms. Natasha Kraal (Editor-in-Chief at Harper's BAZAAR Malaysia), Ms. Ridhima Khanduja (Principal of Talent, Rewards and Performance, Aon Malaysia).

In light of the recent change of government, the EcoWorld Women's Summit returns this year on 8th March 2019 with the theme #ReimaginingMalaysia #ReshapingFutureWorkforce! We're excited to have YB Yeo Bee Yin (Minister of Energy, Science, Technology, Environment & Climate Change) as our keynote speaker and Dato' Noor Farida Binti Mohd Ariffin (Director of Eco World Development Group Berhad) as our moderator for our interactive panel discussions.

We're blown away by the achievements of these notable leaders, as well as the line up of amazing women on our panel- Anita Hughes (Managing Director, Eco World Management and Advisory Services (UK) Ltd), Samantha Lee (Head of Group Legal, Eco World Development Group Berhad), and many more influential figures are participating in what will surely be a memorable Summit!

Join us in #ReimaginingMalaysia and #ReshapingFutureWorkforce on International Women's Day, 8th March 2019, at Bukit Bintang City Centre!

Message from Sponsors: LAZADA

Lazada Malaysia is very grateful to have been invited to contribute to Lean In Unconference 2018 and in conjunction they have prepared some vouchers for all. Would like to remind that the voucher validity is fast approaching and only 400 vouchers available!
